

# HARMONY (EN)

Lúcia de Carvalho

**Topic :** Several things going in ming ... As a child I left Angola partly because of civil war that lasted almost 30 years... Thinking of grown ups who force children to take up arms.. When will humans stop this craziness?!? Making the wish of a world of peace and harmony. Music can create bridges between hearts and souls. When we feel peace inside us there no place for non enlightened thoughts or acts. We've got to let love rule !
